RICHARD M DOBRICH

Rich is driven to help improve any organization that can benefit from his talent and unbridled commitment to excellence.

Rich is a Senior Executive Service (SES) leader with 40 years of experience at the Policy, Strategic, Operational, and Tactical levels across International, National, and State domains in the doctrines of Security Risk Assessments, DHS Interagency Standards Committee (ISC) and International Ship and Port Facility (ISPS) standards and methods, Physical Security, Security Engineering and Monitoring, Counter Intelligence and Human Intelligence methods, Terrorist & Criminal targeting tactics and procedures, and Continuity of Operations.

Professional Experience:

Resolute Security Solutions, LLC: Managing Director 1/2021-Present, Virginia Beach, VA
Rich founded RSS in order to provide strategic advisory services to Public Sector, Government, and Private Industry clients. NDAs preclude Rich from listing his clients but each is a leader within their sectors. RSS specializes in Security Risk Assessments for Physical and Cyber domains. Rich has robust experience in security and operational procedures for shipping ports, critical infrastructure, mining sites, and other businesses, including crisis management (kidnap-for-ransom). Rich has introduced counter-drone (C-UAS) capabilities, secured publicly available information (PAI) platforms for data delivery, as well as other law enforcement technologies to multiple federal agencies. RSS is currently executing as the Program Management Office (PMO) for a \$30M security modernization of the largest shipping port in Ecuador. Rich is motivated and inspired to offer fit-for-purpose solutions to client-derived requirements with an emphasis on transparency and uncompromising ethics.

Linxx Global Solutions, LLC: Executive Director 2023-Present, Virginia Beach, VA
Rich is a Strategy focused Senior Executive with over 40 years of dynamic experience at the Policy, Strategic, Operational, and Tactical levels across governmental departments as well as Energy and Critical Infrastructure sectors. He retired after three decades of service with the U.S. Department of Justice/ U.S. Drug Enforcement Administration (DEA) as a member of the Department's Senior Executive Service (SES).

ExxonMobil Corporation: High Threat Global Security Advisor 11/2018 – 11/2020 Houston, TX
Rich served as Risk and Vulnerability Assessor for Critical Infrastructure Facilities in accordance with DHS/USCG/TSA policy compliance (certified Facility Security Officer under 33 CFR 105). Rich served as corporation's highly qualified expert responsible for kidnap for ransom (KFR) response protocols; Trainer for Active Shooter response for employees; responsible for quality assurance security program reviews for global facilities; and managed security programs for dozens of overseas affiliates.

Drug Enforcement Administration: Regional Director (SES) 2015 – 2018 Bogota, Colombia
Responsible for all personnel, policy, complex investigations, strategic oversight, budget implementation, local & international liaison involving DEA activities in Colombia, Ecuador, and Venezuela. Managed \$100M budget and lead a workforce of +200 personnel. Rich was the ranking SES within the Department of Justice in South America responsible for creating and implementing cohesive policy to combat transnational organized crime through seamless cooperation with DoD, Intelligence and Interagency partners at all levels with emphasis on foreign partner collaboration.

DEA Deputy Chief of Operations: (SES) 2012 - 2015 DEA Headquarters
Principal Deputy to the Chief of Operations for global enforcement programs. Executive and programmatic oversight of \$700M global operations and \$40M internal office budget decisions. Supervise staff of +100 employees, including 20 senior management liaison officers (GS-15s) assigned to interagency partners including: DoD (JIATF-South/West, SOCOM, SOUTHCOM/ SOCSOTH, NORTHCOM, CENTCOM, EUCOM, AFRICOM, DASD/CN>)) DoS/INL, ONDCP and others. Responsible for coordination of DEA's annual flagship global counter drug summit - The International Drug Enforcement Conference (IDEC) with Agency/Cabinet/Minister-level participants from over 100 countries. Executive and programmatic oversight of DEA Foreign-deployed Advisory Support Teams (FAST), DEA Personnel Recovery Program, DEA Sensitive Investigations Units (SIU's) in Colombia, Ecuador, Mexico, Panama, Costa Rica, Honduras, Dominican Republic, Afghanistan, & Thailand (over 1,000 trusted partner/vetted unit personnel).

DEA Section Chief, FAST-PR (GS-1811-15) 2008 - 2012 DEA Headquarters
Supervised 70 employees of the Foreign-deployed Advisory Support Teams (FAST) and Personnel
