

# TOMMY L CAMERON

Assistant Chief Cameron is a 40-year veteran of the emergency response community in private sector (refinery operations), public sector (fire service and OEM) level with extensive and progressive experience in management, supervision, project management, leadership, and training in all levels of public/private sector business and volunteer agencies. This experience includes professionally interacting with a myriad of federal, state, local government, and Non-Government Agency partners.

## Project Experience

Manager—Logistics Support, Unified Services Consulting Group, LLC and Senior Consultant Emergency Management Solutions Inc. Emergency management consultant offering federal, state, tribal, local, private-sector, and international customers a full-range of preparedness and crisis management expertise, including exercise design, development, and execution (HSEEP, NPREF, etc.); training (incident management, oil spill/hazardous materials response, severe weather preparedness, crisis communications, disaster recovery, debris removal, etc.); plan development and validation; incident, event, and project management, support, and coaching. Actively supported preparedness, response, and recovery efforts to include:

- Operation SOUTHWEST BORDER BUS RECEPTION: Safety Officer serving Intake Sites in Chicago, IL area for migrants crossing US southern border from Latin American countries.
- Operation ALLIES WELCOME: Logistics Support Branch Manager for Afghan Luggage Reunification Project for the US State Department following evacuation of Afghan nationals from Kabul, Afghanistan. Reunited over 11,500 pieces of luggage with owners who were scattered throughout the United States and Europe.
- Operation ARTEMIS: Assistant Safety Officer for US Department of Health and Human Service Office of Refugee Resettlement Emergency Intake Shelter in Pomona, California with capacity to service 5,000 unaccompanied minors who crossed the US southern border.
- Harris County Non-Congregate Medical Shelter: Deputy Operations Section Chief for 250-patient capacity medical shelter established to manage overflow of patients during COVID-19 Global Pandemic.
- Shift Supervisor, ExxonMobil Baytown (Texas). Served in various roles of increasing responsibility throughout 30-year career in one of largest refineries in US. Experienced in fluid catalytic cracking, hydrocracking, operations, and safety.
- Process Safety Management: Oil and Gas industry subject matter expert. Completed revision and update with training, and implementation of Turnaround Policies and Procedures.
- Compliance and Training: Led initiative for a natural gas producer. Project resulted in extended operating license, reduced operating expense, and improved reliability.
- Assistant Chief, Pasadena Fire Department (Texas). Served as operational executive of largest municipality with a volunteer fire department in the US. Led fire suppression efforts of ten stations (20 engines, 2 ladder trucks, 6 mini-pumpers, assorted support equipment) with 250+ fire fighters. Additional duty as Department Safety Officer. Highlights include:
  - Hurricane IKE: Safety Officer for Fire Department in Pasadena, Texas. Operational pre-strike through recovery.
  - Hurricane RITA: Operations Officer for Fire Department in Pasadena, Texas. Operational pre-strike through recovery.
  - Tropical Storm ALLISON: Operations Officer for Fire Department in Pasadena, Texas, for major flood event operational pre-strike through recovery.
